Representative Rhodes told him that the material Preston had provided on Intermountain Aviation was completely satisfactory. Preston will return the documents that he retained after his return to the city next week. [REDACTED] has been advised.

Preston told me also that since he will be away from the city for the remainder of the week, it will be necessary to cancel the briefing scheduled for Tuesday morning at the Agency. He will reschedule with me after his return on Monday. Charles Briggs, OPPB, has been advised.
